

New Divine Mercy Calendar App for your Smartphone or Tablet!

For almost 20 years the Divine Mercy Calendars have graced the walls of Catholic homes throughout Australia. Every year our beautiful calendar is illustrated with over 300 images of Saints (or Blesseds) including many that are not typically listed on other Catholic Calendars.

**We are very excited to announce that the 2018 Divine Mercy Calendar App
has now arrived.**

Not only does the Divine Mercy Calendar App have a **2018 Calendar** containing all the information and images that the hardcopy wall calendars have, but it also links to the International Website, *Catholic Online*. Each day you will be able to see the relevant Feast Day and you will have access to detailed information about that Feast or Saint which will help to inform and inspire you.

Just purchase the App from the Divine Mercy website which contains further information and directions to help you download it correctly. The App can be downloaded onto Apple or Android phones or Apple and Android tablets - <http://divinemercury.com.au/>
